Chairman, Board of Selectmen Town of Bristol c/o Town Clerk North Street Bristol, Vermont 05443

Gentlemen:

I am herewith forwarding the Certificates of Highway Mileage for your town for the year ending February 10, 1975. The enclosed form letter explains the necessity for completing and returning the Certificate as well as the procedures to be followed in making changes in your class 3 and class 4 town highway systems. Please read this form letter carefully before completing the Certificate.

In addition, the following mileage changes were brought to our attention during the past year:

During the installation of mile markers on the Federal-aid Secondary local system, it was found that the length of class 2 town highway 3 should be decreased 0.01 mile and that of class 2 town highway 4 should be decreased 0.06 mile. A Class 2 Selection Certificate was previously submitted for your approval.

we will appreciate your indicating any other changes in your class 3 or class 4 town highway systems processed in accordance with the Statutes during the past year. The enclosed form letter explains the procedures to be followed in making changes in class 3 of class 4 mileage.

ALL copies of the completed Certificate, including the town's, should be returned to this office no later than February 15, 1975 in order for any changes to be effective at this time. The town's copy will be approved by the designated representative of the State Highway Board and returned to the Town Clerk.

Sincerely,

R. J. Nicholls Highway Planning Engineer

Mr. R. W. Smith, Manager Town and Village of Bristol Bristol Vermont 05443

Dear Mr. Smith:

Attached is your new Class 2 Certificate for the town of This Certificate reflects the change from State Aid to Class 2 Town Highway. It incorporates all changes processed on February 10, 1974, Certificates of Highway Mileage.

Because our Route Logs and Federal-aid description logs generally follow a south to north or west to east direction, you will note that whenever possible the Class 2 descriptions have been rewritten to coincide. In addition, we refer only to incorporated villages as "village." All other locales are referred to as "hamlets."

Please return all 4 copies of the Certificate to this agency. Your copy will be returned to you after approval by the Board.

Separate Class 1 Certificates will be forwarded to you in the near future. Your prompt attention to the above matter would be appreciated.

Sincerely,

Donald H. Remick

District Highway Engineer

January 22, 1973

Chairman
Board of Selectmen
Town of Bristol
Bristol, Vermont 05443

Gentlemen:

In accordance with Title 19, V.S.A., Section 15, as amended, all the traveled highways in your town were measured in 1972 by Mr. Smith, Town Manager, with Mr. Chabot of this office.

The resulting changes in highway mileage are indicated on the enclosed map and are explained on the attached breakdown sheet. Also due to this remeasurement the length of SA 2 was shortened 0.070 mile and that of SA 3 was shortened 0.080 mile.

For your convenience we have entered on the enclosed Certificate of Highway Mileage all changes which were brought to our attention during the past year, and will appreciate your entering any other Town Highway changes processed in accordance with the Statutes.

The completed Mileage Certificates must reach this office by March 15, 1973 in order for these changes to be effective at this time.

Sincerely,

R. J. Nicholls Highway Planning Engineer
