Gentlemen:

In accordance with Title 19, V.S.A., Section 15, as amended, all the traveled highways in your town were measured in 1981 by Mr. Hanson, Road Commissioner, and Mr. Chabot, Road Inventory Chief of this office.

The resulting change in your highway mileage is indicated on the enclosed map and explained as follows:

Your Class 3 mileage has decreased by 0.190 mile on Town Road 21 for a portion of this road which is not maintained at Class 3 standards.

We are also forwarding the Mileage Certificate for your town for the year ending February 10, 1982. For your convenience, we have entered the previous mileage and changes that were brought to our attention during the past year. Any other changes in Class 3 or Class 4 mileage must be entered by you and must be substantiated according to the requirements listed on the enclosed Certificate and as explained in the enclosure (ENCLOSURE 1).

Please refer to the second form (ENCLOSURE 2) for specific instructions relative to the "SCENIC HIGHWAY MILEAGE" portion of your Mileage Certificate.

All copies of the Certificate must be completed and sworn to before a Notary Public. One white and two yellow copies of the signed and completed Certificate should be returned to this office no later than February 15, 1982. The designated representative of the Agency of Transportation will approve the town's copy, which will then be returned to the Town Clerk. The Town Clerk should retain the third yellow copy for the town's records until the "APPROVED" copy has been returned.

If you have any questions or need assistance, please contact either Mr. Edward Chabot, Road Inventory Chief (828-2568), Mr. John Gilligan, Business Manager (828-2671), or myself at 828-2675.

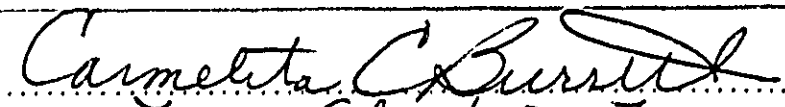

Sincerely,

J. E. R. Landry

SUBJECT: Town of Monkton - Town Highway Reclassification

R.J.N.

A.J.G.

I have received a call from one of the Selectmen of Monkton, saying that they have reconsidered the recent classification of two of their highways, and wish to make two changes, as follows:

T.H. 23 0.07 miles to remain Class 3, as further development is expected on this road. *MC*

✓ T.H. 24 0.83 miles, from the intersection of T.H. 27 to T.H. 3; to be classified as Class 4.

I concur with these recommended changes.

Chairman, Board of Selectmen
Town of Monkton
c/o Town Clerk
RD
North Ferrisburg, Vermont 05473

Gentlemen:

I am herewith forwarding the Certificates of Highway Mileage for your town for the year ending February 10, 1975. The enclosed form letter explains the necessity for completing and returning the Certificate as well as the procedures to be followed in making changes in your class 3 and class 4 town highway systems. Please read this form letter carefully before completing the Certificate.

In addition, the following mileage changes were brought to our attention during the past year:

During the installation of mile markers on the Federal-aid Secondary local system it was found that the length of Class 2 Town Highway 2 should be decreased 0.09 mile while that of Class 2 Town Highway 3 should be decreased 0.11 mile. A Class 2 Selection Certificate covering these changes was previously submitted.

In addition you have indicated that you wish to transfer 0.83 mile of Town Highway 24 from class 3 to class 4.

We will appreciate your indicating any other changes in your class 3 or class 4 town highway systems processed in accordance with the Statutes during the past year. The enclosed form letter explains the procedures to be followed in making changes in class 3 or class 4 mileage.

ALL copies of the completed Certificate, including the town's, should be returned to this office no later than February 15, 1975 in order for any changes to be effective at this time. The town's copy will be approved by the designated representative of the State Highway Board and returned to the Town Clerk.

Sincerely,

R. J. Nicholls

Gentlemen:

In accordance with Title 19, V.S.A., Section 15, as amended, all the traveled highways in your town were measured in 1972 by Mr. Hansen, Road Commissioner, with Mr. Chabot of this office.

The resulting changes in highway mileage are indicated on the enclosed map and are explained on the attached breakdown sheet.

According to Mr. Hansen, the following road is considered to be an old town highway:

| <u>Map Ident.</u> <u>Letter</u> | <u>Town Highway</u> <u>Number</u> | <u>Mileage</u> |
|------------------------------------|--------------------------------------|----------------|
| E | 40 Prov. | 0.12 |

Before we can include this road in your town highway system, it will be necessary for you to submit a certificate, signed by the Selectmen, certifying that this road has been considered and maintained as a public highway for "X" number of years. Without this certificate this highway cannot be considered to be part of your town highway system.

For your convenience we have entered on the enclosed Certificate of Highway Mileage all changes which were brought to our attention during the past year, and will appreciate your entering any other Town Highway changes processed in accordance with the Statutes.

The completed Mileage Certificates must reach this office by March 15, 1973 in order for these mileage changes to be effective at this time.

Sincerely,

Gentlemen:

I am herewith forwarding the Certificates of Highway Mileage for your town for the year ending February 10, 1970.

During the 1970 Reselection of State Aid Highways, two new roads were added to your State Aid System. A portion of T 6 (2.130 miles) became SA 6, and T 33 (2.070 miles) became SA 7. A corresponding reduction is being made in your town highway mileage.

For your convenience we have entered these changes on the enclosed Certificates and will appreciate your entering any other town highway mileage changes processed in accordance with the Statutes during the past year.

Please return the signed Certificates on or before March 15, 1970.

Sincerely yours,

R. J. Nicholls
