Chairman, Board of Selectmen Town of New Haven c/o Beverly Landon, Town Clerk New Haven, Vermont 05472

Gentlemen:

In accordance with Title 19, V.S.A., Section 15, as amended, all the traveled highways in your town were measured in 1981 by Mr. Marsceill, Road Commissioner, and Mr. Chabot, Road Inventory Chief of this office.

The resulting change in your highway mileage is indicated on the enclosed map and explained as follows:

Your Class 3 mileage has increased by 0.100 mile due to a remeasurement change on Town Road 34.

We are also forwarding the Mileage Certificate for your town for the year ending February 10, 1982. For your convenience, we have entered the previous mileage and changes that were brought to our attention during the past year. Any other changes in Class 3 or Class 4 mileage must be entered by you and must be substantiated according to the requirements listed on the enclosed Certificate and as explained in the enclosure (ENCLOSURE 1).

Please refer to the second form (ENCLOSURE 2) for specific instructions relative to the "SCENIC HIGHWAY MILEAGE" portion of your Mileage Certificate.

All copies of the Certificate must be completed and sworn to before a Notary Public. One white and two yellow copies of the signed and completed Certificate should be returned to this office no later than February 15, 1982. The designated representative of the Agency of Transportation will approve the town's copy, which will then be returned to the Town Clerk. The Town Clerk should retain the third yellow copy for the town's records until the "APPROVED" copy has been returned.

If you have any questions or need assistance, please contact either Mr. Edward Chabot, Road Inventory Chief (828-2568), Mr. John Gilligan, Business Manager (828-2671), or myself at 828-2675.

Sincerely,

J. E. R. Landry

Legal research at a local level seems to indicate the legal trail area of town road #29 (Sumner Road) is a class 3 road in the trail area.

Please cause the examination of the copies of records sent with the certificate of highway mileage back in1979. These were sent Febuary 3, 1979.

The Selectmen have signed the enclosed certificate to avoid delay of timely filing. They would appreciate your response regarding the proper status of this above mentioned section of road.

Chairman, Board of Selectmen Town of New Haven c/o Town Clerk New Haven, Vermont 05472

#### Gentlemen:

I am herewith forwarding the Certificates of Highway Mileage for your town for the year ending February 10, 1975. The enclosed form letter explains the necessity for completing and returning the Certificate as well as the procedures to be followed in making changes in your class 3 and class 4 town highway systems. Please read this form letter carefully before completing the Certificate.

in addition, the following mileage change was brought to our attention during the past year:

During the installation of mile markers on the Federal-ald Secondary local system, it was found that the length of Class 2 Town Highway 2 should be decreased 0.07 mile. A Class 2 Selection Certificate covering this change was previously submitted.

We will appreciate your indicating any other changes in your class 3 or class 4 town highway systems processed in accordance with the Statutes during the past year. The enclosed form letter explains the procedures to be followed in making changes in class 3 or class 4 mileage.

ALL copies of the completed Certificate, including the town's, should be returned to this office no later than February 15, 1975 in order for any changes to be effective at this time. The town's copy will be approved by the designated representative of the State Highway Board and returned to the Town Clerk.

#### STATE OF VERMONT DEPARTMENT OF HIGHWAYS MONTPELIER

05602

January 23, 1970

Chairman, Board of Selectmen Town of New Haven Mew Haven, Vermont 05472

Gentlemen:

Enclosed are the Certificates of Highway Mileage for your town for the year ending February 10, 1970.

As recently pointed out to you by District Engineer Laythe, a portion of % 6 was transferred to state aid during the 1970 Reselection of State Aid Highways. This action increases state aid mileage 3.720 miles and effects a corresponding decrease in town highway mileage.

For your convenience we have entered these changes on the enclosed Certificates and will appreciate your entering any other changes in town highway mileage processed in accordance with the Statutes during the past year.

Please return the signed Certificates in time to reach this office on or before March 15, 1970.

Sincerely yours,

R. J. Micholls Highway Planning Engineer
