Good morning folks,

I am circling back on TH-16 that is mapped on the New Haven town highway map right near the border of Bristol. I spoke with my supervisor, and we can go ahead and remove this road from your map since it really only exists in Bristol according to both towns. You don't need to go through the process of discontinuance as we can just note this as a historic error due from the town boundary data location. Choiniere Rd is in its correct location, then it does not cross into New Haven. We will work with Bristol to correct the alignment of Choiniere Rd.

There will be a mileage change for New Haven for the removal of the road and we can preload this on your 2026 Mileage Certificate before we send it to you in the new year. The change will be as follows so look for this on the certificate:

-0.01 mi CL4 TH-16 (Choiniere Rd) removed from map based on historic error

Thank you,

Pam
