Chairman, Board of Selectmen
Town of Orwell
c/o Anna Burton, Town Clerk
Orwell, Vermont 05760

Gentlemen:

In accordance with Title 19, V.S.A., Section 15, as amended, all the traveled highways in your town were measured in 1981 by Mr. Booska, Road Commissioner, and Mr. Chabot, Road Inventory Chief of this office.

The resulting changes in highway mileage and any changes in classification are indicated on the enclosed map and explained as follows:

Your Class 3 mileage has decreased by 0.160 mile on Town Road 30, because this portion of the road is not up to Class 3 standards. Also, your Class 3 mileage will increase by 0.210 mile, Town Road 46 Provisional (Sewer Plant Road) which had been classified as an Old Town Highway. In order for us to accept this mileage, we require, from the Board of Selectmen, a Certificate stating that this road has been considered and maintained by the town as a public highway for "X" number of years.

We are also forwarding the Mileage Certificate for your town for the year ending February 10, 1982. For your convenience, we have entered the previous mileage and changes that were brought to our attention during the past year. Any other changes in Class 3 or Class 4 mileage must be entered by you and must be substantiated according to the requirements listed on the enclosed Certificate and as explained in the enclosure (ENCLOSURE 1).

Please refer to the second form (ENCLOSURE 2) for specific instructions relative to the "SCENIC HIGHWAY MILEAGE" portion of your Mileage Certificate.

All copies of the Certificate must be completed and sworn to before a Notary Public. One white and two yellow copies of the signed and completed Certificate should be returned to this office no later than February 15, 1982. The designated representative of the Agency of Transportation will approve the town's copy, which will then be returned to the Town Clerk. The Town Clerk should retain the third yellow copy for the town's records until the "APPROVED" copy has been returned.

If you have any questions or need assistance, please contact either Mr. Edward Chabot, Road Inventory Chief (828-2568), Mr. John Gilligan, Business Manager (828-2671), or myself at 828-2675.

Sincerely,
