Chairman, Board of Selectmen Town of Weybridge c/o Glenna Hotte, Town Clerk RD #1 Middlebury, Vermont 05753

Gentlemen:

In accordance with Title 19, V.S.A., Section 15, as amended, all the traveled highways in your town were measured in 1981 by Mr. Denis, Selectman, and Mr. Chabot, Road Inventory Chief of this office.

The resulting change in your highway mileage is indicated on the enclosed map and explained as follows:

Your Class 3 mileage has decreased by 0.050 mile due to a remeasurement on Town Road 7.

We are also forwarding the Mileage Certificate for your town for the year ending February 10, 1982. For your convenience, we have entered the previous mileage and changes that were brought to our attention during the past year. Any other changes in Class 3 or Class 4 mileage must be entered by you and must be substantiated according to the requirements listed on the enclosed Certificate and as explained in the enclosure (ENCLOSURE 1).

Please refer to the second form (ENCLOSURE 2) for specific instructions relative to the "SCENIC HIGHWAY MILEAGE" portion of your Mileage Certificate.

All copies of the Certificate must be completed and sworn to before a Notary Public. One white and two yellow copies of the signed and completed Certificate should be returned to this office no later than February 15, 1982. The designated representative of the Agency of Transportation will approve the town's copy, which will then be returned to the Town Clerk. The Town Clerk should retain the third yellow copy for the town's records until the "APPROVED" copy has been returned.

If you have any questions or need assistance, please contact either Mr. Edward Chabot, Road Inventory Chief (828-2568), Mr. John Gilligan, Business Manager (828-2671), or myself at 828-2675.

Sincerely, Q.E.R. Janday

Chairman
Board of Selectmen
Town of Weybridge
RFD #1
Middlebury, Verment 05753

Gentlemen:

In accordance with Title 19, V.S.A., Section 15, as amended, all the traveled highways in your town were measured in 1971 by Mr. Denis, Selectman, with Mr. Chabot of this office.

The resulting changes in highway mileage are indicated on the enclosed - map and are explained on the attached breakdown sheet.

Before we can accept the 0.06 mile of T 24 Prov. (map identification letter H) as an addition to your town highway system, it will be necessary that you furnish this agency a copy of the right-of-way and a Certificate of Completion and Opening of this road to public travel.

Also due to remeasurement the length of SA 4 has been shortened 0.050 mile.

For your convenience we have entered on the enclosed Certificate of Highway Mileage all changes which were brought to our attention during the past year, and will appreciate your entering any other Town Highway changes processed in accordance with the Statutes during the past year.

The completed Mileage Certificates must reach this office by March 15, 1972 in order for these mileage changes to be effective at this time.

Very truly yours,

R. J. Nicholls Highway Planning Engineer
