Rev. 6-78

March 29, 1982

Victor Quesnel, Chairman Board of Selectmen Town of Whiting Whiting, Vermont 05778

Dear Mr. Quesnel:

Your Annual Mileage Certificate has been overdue since February 15, 1982. This information is required so that the statewide totals by Town Highway class may be computed in March to derive the apportionment of funds to the towns for highways. Not reporting promptly not only delays this for your community, but all the communities in the State.

Title 19, V.S.A., Section 15, requires that every town, city, and village submit a Certificate of Highway Mileage to the Agency of Transportation no later than February 15 each year; and Title 19, Chapter 1, \$19 states, "A town shall not be entitled to receive money from the State under this chapter in any year until it has complied with the provisions of this chapter".

In accordance with the Statutes, payment will be withheld pending receipt of your 1982 Certificate.

If you have any questions, you may contact either Mr. John Gilligan, Business Manager (828-2671), or myself (828-2675).

Sincerely,

J. E. R. Landry

December 4, 1981

Chairman, Board of Selectmen Town of Whiting c/o Grace Simonds, Town Clerk Whiting, Vermont 05778

Gentlemen:

In accordance with Title 19, V.S.A., Section 15, as amended, all the traveled highways in your town were measured in 1981 by Mr. Quesnel, Chairman, and Mr. Chabot, Road Inventory Chief of this office.

The resulting change in your highway mileage is indicated on the enclosed map and explained as follows:

Your Class 3 mileage has increased by 0.070 mile due to the remeasurement on Town Road 6.

We are also forwarding the Mileage Certificate for your town for the year ending February 10, 1982. For your convenience, we have entered the previous mileage and changes that were brought to our attention during the past year. Any other changes in Class 3 or Class 4 mileage must be entered by you and must be substantiated according to the requirements listed on the enclosed Certificate and as explained in the enclosure (ENCLOSURE 1).

Please refer to the second form (ENCLOSURE 2) for specific instructions relative to the "SCENIC HIGHWAY MILEAGE" portion of your Mileage Certificate.

All copies of the Certificate must be completed and sworn to before a Notary Public. One white and two yellow copies of the signed and completed Certificate should be returned to this office no later than February 15, 1982. The designated representative of the Agency of Transportation will approve the town's copy, which will then be returned to the Town Clerk. The Town Clerk should retain the third yellow copy for the town's records until the "APPROVED" copy has been returned.

If you have any questions or need assistance, please contact either Mr. Edward Chabot, Road Inventory Chief (828-2568), Mr. John Gilligan, Business Manager (828-2671), or myself at 828-2675.

Sincerely,

JERL/CB/sla Enc. J. E. R. Landry

Chairman, Board of Selectmen Town of Whiting c/o Town Clerk Whiting, Vermont 05778

Gentlemen;

I am herewith forwarding the Certificate of Highway Mileage for your town for the year ending February 10, 1976. The enclosed form letter explains the necessity for completing and returning the Certificate as well as the procedures to be followed in making changes in your class 3 and class 4 town highway systems. Please read this form letter carefully before completing the Certificate.

In addition, the following mileage change was brought to our attention during the past year:

During the installation of mile markers on the Pederal-aid Secondary local system it was found that the length of Town Highway 1 should be shortened 0.050 mile. A Class 2 Selection Certificate reflecting this change was previously forwarded to you through your District Highway Engineer.

We have entered on the enclosed Certificate the previous mileage as of February 10, 1975 as well as the above-mentioned class 2 change. We will appreciate your indicating any other changes in your class 3 or class 4 town highway systems processed in accordance with the Statutes during the past year. The enclosed form letter explains the procedures to be followed in making changes in class 3 or class 4 mileage.

One white and two yellow copies of the completed Certificate should be returned to this office no later than February 15, 1976. The designated representative of the State Highway Department will approve the town's copy which will then be returned to the Town Clerk. The Town Clerk should retain the third yellow copy for the town's records until the APPROVED copy has been returned.

Sincerely,

R. J. Nicholls Highway Planning Engineer

STATE OF VERMONT DEPARTMENT OF HIGHWAYS MONTPELIER 05602

January 7, 1972

Chairman Board of Selectmen Town of Whiting Whiting, Vermont 05778

Gentlemen:

In accordance with Title 19, V.S.A., Section 15, as amended, all the traveled highways in your town were measured in 1971 by Mr. Quesnel, Selectman, with Mr. Chabot of this office.

The resulting changes in highway mileage are indicated on the enclosed map and are explained on the attached breakdown sheet.

Also due to remeasurement the length of SA 1 has been shortened 0.090 mile.

For your convenience we have entered on the enclosed Certificate of Highway Mileage all changes which were brought to our attention during the past year, and will appreciate your entering any other Town Highway changes processed in accordance with the Statutes during the past year.

The completed Mileage Certificates must reach this office by March 15, 1972 in order for these mileage changes to be effective at this time.

Very truly yours,

R. J. Nicholls Highway Planning Engineer
