Chairman, Board of Selectmen Town of Readsboro c/o Town Clerk, Viola Caruso Readsboro, Vermont 05350

Gentlemen:

In accordance with Title 19, V.S.A., Section 15, as amended, all the traveled highways in your town were measured in 1978 by Mr. Janovsky, Road Foreman, and Mr. Chabot of this office.

The resulting changes in highway mileage and any changes in classification are indicated on the enclosed map and explained on the attached breakdown sheet.

I am also forwarding, herewith, the Certificate of Highway Mileage for your town for the year ending February 10, 1979. The enclosed form explains the necessity for completing and returning the Certificate, as well as the procedures to be followed in making changes to your Class 3 and Class 4 Town Highway System. Please read this form letter carefully before completing the Certificate.

You will note that the Mileage Certificate Form has been changed this year from previous Certificates. The 1978 General Assembly passed a "Scenic Highway Law" which has necessitated a change in the form. Please refer to the second enclosed form letter for specific instructions relative to Scenic Highway Mileage. This section is not mandatory, but left to your discretion. By this time, you should have received additional information on this legislation from the Transportation Board. Utilizing this and the attached instructions, you should be able to complete the Scenic Highway portion of the form. If there is any confusion on this item, please contact us.

The remaining portion of the form is to be completed just as before and do not delete any mileage from this portion that you may have designated as scenic. Your Class 1, 2, 3 and 4 mileages will remain the same whether categorized as scenic or not.

Mr. Janovsky, Road Foreman, stated that a portion of Town Highways 10 and 37 are Legal Trails. See Items A and E on the map. Before mileage can be added to Class 4, copies of the proceedings must be furnished to the Agency of Transportation.

Mr. Janovsky also stated that T-21, Item B on the map, was to be reclassified. In order for the mileage to be included, proof of the reclassification must be furnished.

For your convenience, we have entered on the enclosed Certificate all changes which were brought to our attention during the past year. Any other changes in your Class 3 and Class 4 mileage must be entered by you and must be substantiated according to the requirements listed on the enclosed Certificate and as explained in the attached form letter.

One white and two yellow copies of the completed Certificate should be returned to this office no later than February 15, 1979. The designated representative of the Agency of Transportation will approve the town's copy which will then be returned to the Town Clerk. The Town Clerk should retain the third yellow copy for the town's records until the approved copy has been returned.

Sincerely,

R. J. Nicholls Planning Engineer

Chairman, Board of Trustees Village of Readsboro c/o Village Clerk Readsboro, Vermont 05350

Gentlemen:

I am hereith forwarding the Certificate of Highway Mileage for your village for the year ending Pebruary 10, 1976. The enclosed form letter explains the necessity for completing and returning the Certificate as well as the procedures to be followed in making changes in your class 3 and class 4 village highway systems. Please read this form letter carefully before completing the Certificate.

In addition, the following mileage change was brought to our attention during the past year:

During the installation of mile markers on the Federal-aid Secondary local system, it was found that the length of Town Highway 2 should be reduced 0.030 mile. A Class 2 Selection Certificate reflecting this change was previously forwarded to you through your District Highway Engineer.

We have entered on the enclosed Certificate the previous mileage as of February 10, 1975 as well as the above-mentioned change. We will appreciate your indicating any other changes it your class 3 or class 4 village highway systems processed in accordance with the Statutes during the past year. The enclosed form letter explains the procedures to be followed in making changes in class 3 or class 4 mileage.

One white and two yellow copies of the Certificate should be returned to this office no later than February 15, 1976. The designated representative of the State Highway Department will approve the village's copy which will then be returned to the Village Clerk. The Village Clerk should retain the third yellow copy until the APPROVED copy has been returned.

Sincerely,

R. J. Nicholls Highway Planning Engineer
