March 7, 1974

Commissioner of Highways  
Montpelier, Vermont 05602

Dear Sir:

Enclosed are the copies of Certificate of Highway Mileage for year ending February, 1974. We regret the delay this year but there was much deliberation over your changes in our road classification.

The following determination has been made by our Board of Selectmen:

Highway #11 - No contest. Make 0.53 as Class 4. Untraveled in winter.

-1.40 d.4

Highway #12 - 0.95 of this highway is traveled and I personally live at the end with my family. Beyond this point there is nothing and therefore, should not even be on the map. A thorough search of town records supplies no information as to the legal acquisition of the piece in question.

7# -1.21 cl. 4

Highway #13 - This should not be on the map. A thorough search of town records supplies no information as to the legal acquisition of the piece in question.

-1.00 d.4

Highway #16 - This should not be on the map. A thorough search of town records supplies no information as to the legal acquisition of the piece in question.

Highway #17- No contest. Make 0.84 as Class 4. Untraveled in winter.

Highway #20 - Must remain Class 3. People live at the end of this road and it is maintained.

We would appreciate it if your office could reproduce a new map reflecting the above information rather than what was supplied previously.

Thank you.

Sincerely yours,
