Gentlemen:

In accordance with Title 19, V.S.A., Section 15, as amended, all the traveled highways in your town were measured in 1978 by Mr. McDermitt, Selectman and Mr. Chabot of this office.

The resulting changes in highway mileage and any changes in classification are indicated on the enclosed map and explained on the attached breakdown sheet.

I am also forwarding, herewith, the Certificate of Highway Mileage for your town for the year ending February 10, 1979. The enclosed form explains the necessity for completing and returning the Certificate, as well as the procedures to be followed in making changes to your Class 3 and Class 4 Town Highway System. Please read this form letter carefully before completing the Certificate.

You will note that the Mileage Certificate Form has been changed this year from previous Certificates. The 1978 General Assembly passed a "Scenic Highway Law" which has necessitated a change in the form. Please refer to the second enclosed form letter for specific instructions relative to Scenic Highway Mileage. This section is not mandatory, but left to your discretion. By this time, you should have received additional information on this legislation from the Transportation Board. Utilizing this and the attached instructions, you should be able to complete the Scenic Highway portion of the form. If there is any confusion on this item, please contact us.

The remaining portion of the form is to be completed just as before and do not delete any mileage from this portion that you may have picked up as scenic. Your Class 1, 2, 3 and 4 mileages will remain the same whether categorized as scenic or not.

In addition, T-8 (Provisional), Item A on the map, former portion of VT 9, will be added to the mileage upon relinquishment to the Town from the State.

Also due to construction project TQF 010-1(9), VT 9 will be decreased 0.050 mile from a total of 5.733 to 5.683.

Re: Putnam vs. Searsburg

Dear Sirs:

I have just received order of the court reestablishing Putnam road as a public highway and compelling the Town to maintain it as other public roads in town.

I have a lengthy copy of findings of fact and conclusions of law and Order made by Judge Hayes which you can come in to read.

If you wish, I will try to photograph it and send it to you for your use at your leisure.

Let me know. Of course I'm disappointed that we did not succeed.

Sincerely,

ORDER OF HIGHWAY DISCONTINUANCE

(Putnam Road)

The Selectmen of the Town of Searsbury, upon receipt of a petition of the freeholders of the said town to discontinue a town highway known as Putnam Road, after examining the premises and hearing parties interested upon 10 days notice thereof to one or more of the said petitioners, to persons owning or interested in lands through which the said highway to be discontinued passes, to persons owning or interested in land abutting such highway, and causing publication of said notice in the Hannington Banner, a newspaper generally circulating in the area not less than 10 days before the time set for the said hearing, and posting a copy of said notice in two public places in the Town and in the Town Clerk's office, and the said Town not having a municipal planning commission to which such notice could be given, judge that the public good requires such highway to be discontinued.
