Chairman, Board of Trustees Village of Hardwick c/o Village Clerk Hardwick, Vermont 05843

#### Gentlemen:

I am herewith forwarding the Certificates of Highway Mileage for your village for the year ending February 10, 1975. The enclosed form letter explains the necessity for completing and returning the Certificate as well as the procedures to be followed in making changes in your class 3 and class 4 village highway systems. Please read this form letter carefully before completing the Certificate.

In addition, the following mileage change was brought to our attention during the past year:

During 1974 a field check was made of the roads in Hideavay Acres which were added to your class 3 system last year. It was found that these roads totaled 0.33 mile rather than 0.50 mile as submitted. We are, therefore, deducting 0.17 mile from your class 3 system at this time.

We will appreciate your indicating any other changes in your class 3 or class 4 village highway systems processed in accordance with the Statutes during the past year. The enclosed form letter explains the procedures to be followed in making changes in class 3 or class 4 mileage.

All copies of the completed Certificate, including the village's, should be returned to this office no later than February 15, 1975 in order for any changes to be effective at this time. The village's copy will be approved by the designated representative of the State Highway Board and returned to the Village Clerk.

Sincerely,

R. J. Nicholis Highway Planning Engineer
