Montpelier, VT 05633

Dear Mr. Chabot:

Enclosed is our completed Certificate of Highway Mileage for the year ending February 10, 1994.

Confirming my telephone conversation with Mr. Jay Kilton, with regard to Section 3, Revision D, the Selectboard has until August of 1994 to bring Town Road 9 up to State specifications. If and when it is brought up to specifications, we will need to ask that you reinspect the road. If the road is not brought up to standards by that time, the State will (for bookkeeping purposes only) reclassify the road as Class 4. It was also my understanding that you would accept this report as of this date, since we needed clarification on this question.

If this understanding is not correct, please let me know.
Thank you.

Sincerely,

Barbara Breen
