**CERTIFICATE OF HIGHWAY MILEAGE
YEAR ENDING FEBRUARY 10, 2024**

Fill out form, make and file a copy with the Town Clerk, and submit the Mileage Certificate on or before February 20, 2024 to: Vermont Agency of Transportation, Division of Policy, Planning and Intermodal Development, Mapping Section via email to: aut.mileagecertificates@vermont.gov or if necessary via mail to: VTrans PPAID - Mapping Section, 219 North Main Street, Barre VT 05641.

We, the members of the legislative body of **SHELDON** in **FRANKLIN** County on an oath state that the mileage of highways, according to Vermont Statutes Annotated, Title 19, Section 305, added 1985, is as follows:

PART I - CHANGES TOTALS - Please fill in and calculate totals.

Town Highways	Previous Mileage	Added Mileage	Subtracted Mileage	Total	Scenic Highways
Class 1	0.000			-	0.000
Class 2	15.990			15.99	0.000
Class 3	28.87		.04	28.83	0.000
State Highway	15.811			15.811	0.000
Total	60.671		.04	60.631	0.000
* Class 1 Lane	0.000			-	
* Class 4	2.74			2.74	0.000
* Legal Trail	2.06			2.06	

* Mileage for Class 1 Lane, Class 4, and Legal Trail classifications are NOT included in total.

PART II - INFORMATION AND DESCRIPTION OF CHANGES SHOWN ABOVE.

- NEW HIGHWAYS:** Please attach Selectmen's "Certificate of Completion and Opening".
- DISCONTINUED:** Please attach SIGNED copy of proceedings (minutes of meeting).
- RECLASSIFIED/REMEASURED:** Please attach SIGNED copy of proceedings (minutes of meeting).
Duffy Hill Remasured - reduced by .04 - total Class III = 28.83
- SCENIC HIGHWAYS:** Please attach a copy of order designating/discontinuing Scenic Highways.

NOTE: This Certificate supersedes a previously submitted certificate signed by the Town on 1/09/2024. This revised Certificate was requested by K.Alley (VTrans) to include the remeasurement listed below. See attached email dated 1/12/2024.

Subject: Remeasurement of Duffy Hill Rd
Attachments: Sheldon_RoadMeasurementInventory_1985_TH11.pdf;
Enosburgh_RoadMeasurementInventory_1985_TH18.pdf

Good afternoon,

I've already spoken with Kim (Sheldon) and Joey (Enosburgh) regarding the following remeasurement, but this email outlines everything in writing. Also, a big thanks to everyone who helped submit the Sheldon and Enosburgh mileage certificates promptly, and is helping us ensure that our data is as up-to-date and accurate as possible.

When Joey Clark from Enosburgh informed the VTrans Mapping Section that the Enosburgh portion of Duffy Hill Rd had been paved, we realized that we have been incorrectly mapping the split between the portions maintained by Sheldon and Enosburgh, and that we had the incorrect total length for Duffy Hill Road (in Sheldon and Enosburgh). I've provided images (below) and field inventory notes (attached) that were used (along with our mapping software) to determine that 1.81 mile of Duffy Hill Rd is being maintained by Sheldon and 1.12 mile is being maintained by Enosburgh. However, the mileages in our records (and shown on the Town Highway Maps) are 1.85 and 1.15 miles, respectively.

We would therefore like to update our records to reflect these more accurate lengths, and in order for us to do so, these changes need to be documented on the Mileage Certificates.

We have already received both Sheldon and Enosburgh's Mileage Certificates, but we still want to process the remeasurement on this year's certificates, as we will be updating the Enosburgh Town Highway Map to reflect highways that are now paved.

There are two ways this can be done (and each town can decide which to use):

1. Send in a new certificate with the change (see below) included, and a note indicating it supersedes the one that has already been sent
2. We can add each town's change (see below) to the corresponding certificate we've already received if your Selectboard gives us permission to do so (by email, or copies of meeting minutes). In addition to adding the change on each certificate, we would also write an explanatory note, initial the modifications to your certificates, and file any correspondence regarding these modifications along with the certificates.

Only the change for your town needs to be added to your town's certificate:

Sheldon:

-0.04 mi CL3 TH-11 (Duffy Hill Rd) remeasured

Enosburgh:

-0.03 mi CL3 TH-18 (Duffy Hill Rd) remeasured

Additional details (please let us know if there are any issues with the following information):

The updated mileages for both Sheldon and Enosburgh are based on the location of the road sign next to the driveway to 2516 Duffy Hill Rd, visible in this image from Bing Maps:

In the following map-view image, the location of the sign from the first image corresponds to where the black-and-white road centerline (indicating gravel, maintained by Sheldon) changes to solid black (indicating paved, maintained by

Enosburgh):

The measures of the Sheldon and Enosburgh portions of Duffy Hill Rd according to our mapping software both conveniently match the most recent field inventories for each town (1985, inventory notes attached) and are 1.81 mi and 1.12 mi, respectively.

Please feel free to reach out to me by email or by phone if you have any questions or concerns.

Thank you all once again for helping us keep our records and the Town Highway Maps as accurate and up-to-date as possible!
