Good afternoon Sue,

Thank you for the Mileage Certificate. We do need the Selectboard to sign (preferably more than one member) the certificate as well, especially because there is a change on our end (see the preload circled in red below). I did email the Town about this change in late November (see attached email).

Please fill our Part I of the certificate as well to update the Class 3 mileage, have the Selectboard sign and send back to us.

Good morning,

We have added an approach from TH-17 (East Shore Rd) to TH-5 (Landon Rd) that was not mapped before to our road data (see blue highlight in image below). When adding this approach, I noticed that the entire class 3 mileage for the road up to the Class 4 section could use a remeasure (see yellow highlight in second image below). The change in mileage for this road would be as follows:

**+0.10 mi CL3 TH-17 (East Shore Rd) remeasurement – total Class 3 mileage from 1.60 mi to 1.70 mi**

We can preload this change on the upcoming Mileage Certificate in early 2026 so look out for that change and have the Selectboard approve when you receive it.

Thank you!

Pam
