Attention of Chairman

Gentlemen:

With regard to the completion of the enclosed Road Mileage Certificates, we wish to call your attention to a change in Town Highway mileage in your town.

On your 1959 mileage certificates, 0.10 mile was added as Town Highway 23. This addition was discussed with Mr. Duffy, Selectman, by Mr. Cookson of this office, and it was agreed that this was the same highway that had been added in 1956 as 0.20 mile, and is shown on the map enclosed.

Would you please enter the subtraction of 0.10 mile as discontinued on the enclosed certificates as well as noting any change that may have occurred on your Town Highways during the past year.

Very truly yours,

H. F. Farrington

File Waterville - Bakersfield Selection

Attached is a resolution for the Town of Waterville. This proposed reselection leaves Route 159 just north of the ~~April 30, 1959~~ Waterville and extends into the Town of Bakersfield to Bakersfield Village. We do not have a good traffic ~~Mr. Dallas Montgomery~~ would estimate it at 25 vehicles per day.

Mr. C. E. Duffy) Selectmen

Mr. J. C. I. A. Sargent)

should ~~Waterville~~ traffic count this summer. It is also suggested that if this were to ~~be~~ ~~reselected~~ that the Bakersfield section be included in order not to have a dead-end State Aid Road. Although we have contacted Mr. Blanchard, the Town of Bakersfield has not yet applied for a reselection.

Attached is a letter from the selectmen of Waterville.

Gentlemen:

Your letter of April 13, 1959, relative to making the road to Bakersfield a State Aid road, has come to my attention.

You state in your letter that you understand the Town of Bakersfield has already applied to make their section a State Aid road. We have no such application from the Town of Bakersfield and, when our District Highway Engineer, Mr. B. M. Blanchard, met with them last week, they made no mention of the Bakersfield-Waterville road.

It is the Department's policy not to make dead end State Aid highways. ~~We~~ have been trying for years to get rid of all the dead ends on State Aid highways.

If an application were received from the Town of Bakersfield, further consideration could be given to your request.

Yours very truly,

/s/ H. E. Sargent

Chief Engineer.
