Hi again Nikki and Phil,

I have another question regarding TH-51 (Appleton Rd). We currently have the road going past where the road is maintained (see yellow highlight in the image below). The google street view shows the road ending at the fence ([324 Appleton Rd - Google Maps](#)). The attached road inventory from 1986 measured the road at 0.37 miles about 0.04 miles past the water pump station. Did the Town close off the rest of the road as it looks like in the street view? If so this portion of the road should be discontinued or reclassified from Class 3. I measure approximately 0.03 miles from the fence to where we currently have the road mapped to.

Thank you and let us know.

Best,

Pam
