Yes I agree with Rick not much and that intersection has been like that since I have been here all we changed was the position of the yellow line and added the stop bar so people would stop and not burn right through.

Hi Pam!

Good to hear from you. Congrats on the job switch!

Maybe someone on this email chain can help me in my ignorance. What, if any ramifications does this change have?

Subject: TH-4 Mileage

Hi Rick, Carl, and Nick,

More recent imagery has revealed to the VTrans Mapping Section that the intersection of Class 2 Road TH-4 and TH-2 in Corinth is no longer a Y intersection but now a T intersection (see image below). This will change the mileage of TH-4 slightly by -0.02 miles. We can include this change in your 2022 Mileage Certificate.

Please feel free to contact me with any comments or questions.

Thank you and Nick it's good to connect with you again – hope all is well with you.

Best,

Pam
