Hello Pam,

The Road Commissioners and Road Foreman said that the work on reclassifying TH-5 will not be finished anytime soon. The board will revisit the Certificate of Highway Mileage at their next meeting on Jan 26th and I will submit the Certificate soon after.

Thank You,
Elaine

Thank you for letting me know. We will be sending out the Mileage Certificates this week. If you have completed the process of reclassification, please return the following documentation with the certificate:

- Public Notice of site visit and hearing
- Notices to adjacent landowners, planning commission and VT Dept of Forest, Parks and Recreation
- Description of length of town highway reclassified with a marked sketch map included
- Minutes from hearing with Selectboard decision documented

Thank you!

Pam

Hello Pam,

I apologize for the delay in getting back to you. Our Selectboard approved starting the process to downgrade TH-5 to a legal trail at their meeting on December 29, 2025. Please let me know if there is anything else that you need.

Thank You,

Elaine

Good morning,

We noticed that the Class 3 designated portion of TH-5 (off of Hinton Hill Rd) does not look like it is up to Class 3 standards (see yellow line in image below and google street view link: [3128 T-38 - Google Maps](#)). Can you check with the Road Foreman whether the Town plans on bringing this up to standards? If not, you should probably reclassify it or discontinue. Let us know and feel free to reach out with any questions.

Thank you!

Hello Pam,

I have forwarded your email to our Road Foreman. The Foreman had discussed a section of road that was not in compliance and his plan to remedy but I want to verify that this is the same one noted in that discussion. I will let you know when I hear back.

Thank You,
Elaine
