**Re: 2019 Certificate of Highway Mileage
City of Rutland, VT**

To Whom It May Concern:

As requested, attached please find the Rutland City *Certificate of Highway Mileage* for year ending February 10, 2019. The certificate contains two revisions to Class 2 mileage documented by VAOT resulting from the replacement of Bridge B2 and Bridge B17. The shift in highway alignments to the replacement bridges added a total of 0.01 miles to the City's Class 2 Highway total. Other than these revisions, no additional modifications have been made to the City's highway network since the last filing in 2018.

If you have any questions or comments, please contact me at your earliest convenience. I may be reached by email at jimr@rutlandcity.org or by phone at 802-773-1813.

Sincerely,

James Rotondo, PE
City Engineer
