Thank you Sandi,

TH-47 has always been a Y where it intersects with VT-7 as you show in the image from the current Town Highway map. What has changed from a T to a Y is actually at the intersection of TH-47 and TH-48.

See the highlighted yellow in Google Maps below:

Best,

Pam

Hi,

I've passed your question regarding TH 5 onto the Highway Dept.

As for TH 47..Dugway Road...hasn't it always been a Y? It shows as a Y on the VTTrans map:

Hi Julie,

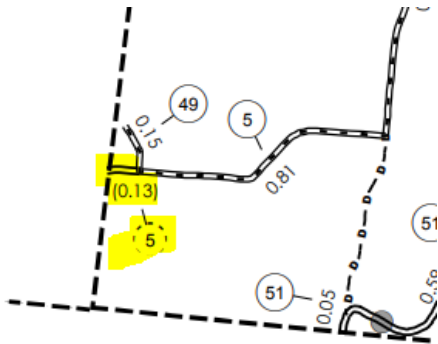

I wanted to let you know that we noticed that the intersection of Dugway Rd (TH-47) and Dugway Rd Extension (TH-48) is now a Y and no longer a T (see blue highlighted road segments in image below).

This results in an increase of 0.02 Class 3 miles for TH-47. We will include this update on the 2023 Mileage Certificate and Town Highway Map.

On another note, has the town done anything to bring a 0.13 mile portion of TH-5 up to Class 3 standards? See excerpt from the Town Highway Map below.

Thank you,

Pam
