Dear Mrs. Brown:

We are enclosing for your records a map, signed by the Commissioner, showing the recent selection of state-aid highways in your town. Also enclosed is an extra copy of the revised map for your use.

The map signed by the Commissioner should be filed and recorded in your town records.

This is in accordance with Title 19, V.S.A., Section 13, which requires that, "When an addition or deletion is made to State Aid Highways, the Board shall make maps showing the highways which are added and/or deleted, and file a copy thereof in the office of the Secretary of State. It shall also file a copy of the map of such highways in the office of the clerk of the town wherein said highways be. When such maps are so filed, the redesignation of such highways shall be deemed to have taken place."

When the map has been filed, would you please fill out and sign both the enclosed forms, and return to us for our records?

Very truly yours,
