Thanks Sasha,

Does that mean that the Selectboard is aware of the preloaded change? If you can confirm that, I can take care of everything else!

Thanks again,

Kerry

Hello Sasha,

I just noticed that the “No Changes Recorded This Year” box is checked on Moretown’s 2026 Mileage Certificate, but there is a pre-loaded change listed in the Reclassified/Remeasured section of the Certificate.

Could you confirm for us that the Selectboard is aware of the preloaded change and that the class 3 mileage totals will be changing due to this change? (Additional details regarding the preloaded change can be found in my email to you from 1/6/2026 4:49pm)

With your confirmation, I could whiteout the X in the box, fill out Part I of the Certificate with the correct new mileage totals, add an explanatory note about me adjusting/completing the certificate, initial and date the material I added, and attach our email correspondence regarding all of this to the certificate. Alternatively, you can make the adjustments and calculate the new totals on the original certificate and send me a new copy, whichever you prefer.

Thank you, and stay warm!

Kerry

Good morning Sasha,

Thank you for the 2026 Mileage certificate. There are a couple of issues with the certificate. We need Cherilyn to sign the certificate as well as the Town Clerk where circled in red below. The date on the certificate is really for the date that it is signed by the Town Cler, not by the Selectboard but since the date is already on there, if you could just have Cherilyn sign it that would be great.

I also noticed that you checked the "No Changes" box and did not fill out Part I. There is a change on our end as highlighted below. I have cc'd Kerry Alley here who will be processing the certificate. She can fill

out Part I for you if you would like before we sign it on our end, but we want to be sure the Selectboard is aware of the change. We would need the Town Clerk signature before we could do that.

3. **RECLASSIFIED/REMEASURED:** Please attach **SIGNED** copy of proceedings (minutes of meeting).

4. **SCENIC HIGHWAYS:** Please attach a copy of order designating/discontinuing Scenic Highways.

Thank you and feel free to reach out with any questions.
