I do remember you sending that memo back in November. If you could fill out part I for us that would be great.

Thank you!

Good morning Rebecca,

No need to apologize for sending at night. We get the emails when we are back in the office.

I noticed that you checked the “no changes” box and did not fill out Part 1. We did pre-load a change for a simple addition of an approach on TH-36 (Fuller Farm Rd). See the highlighted text in the image below. We can fill out Part I for you but just want to make sure the Town is aware of this change. I did email back in November (see attached) to alert you of this change.

3. RECLASSIFIED/REMEASURED: Please attach SIGNED copy of proceedings (minutes of meeting).

+0.02 mi CL3 TH-36 (Fuller Farm Rd) added previously unmapped approach

4. SCENIC HIGHWAYS: Please attach a copy of order designating/discontinuing Scenic Highways.

IF THERE ARE NO CHANGES RECORDED THIS YEAR: Place an X in the box and sign below.

PART III - SIGNATURES - PLEASE SIGN. 

Thank you,

Pam

Please find attached the Town of Warren's 2026 Highway Mileage Certificate.

I apologize for the late submittal this evening. Our Selectboard signed the document during their meeting tonight, allowing us to submit it by the January 20th deadline.

Greetings from the VTrans Mapping Section,

Please find the 2026 Mileage Certificate for Warren attached to this email.

This Certificate must be completed in order to determine your town's share of state aid for town highways for Fiscal Year 2027, and to ensure that your Town Highway Map remains current. Please note that 19 V.S.A. § 305(c) states that as of 2015, all class 1, 2, 3, and 4 town highways and trails shall appear on the town highway maps.

Any changes in mileage or highway classification, such as additions, alterations, or discontinuances made by your selectboard this past year should be entered on this certificate. If there are changes that occurred before this past year that are not shown on the Town Highway Map, please let us know so we can update the maps.

In filling out the Mileage Certificate, it is important to:

- >> Enter mileage and classification changes on PART I and PART II of the Certificate.
- >> Provide supporting documentation sufficient for the Mapping Section to:
 - Map the change
 - Verify the mileage
 - Demonstrate the change was made according to State statute by providing required documentation
- >> If you have no changes, you may simply check the box in PART II of the Certificate.
- >> The Town Clerk and Selectboard MUST sign PART III of the Certificate.

To effectively process all the mileage certificates in a timely manner and to assure the completion of the mileage summaries, it is important that towns submit the certificates on time.

Certificates must be postmarked on or before February 20, 2026.

Certificates that are postmarked after February 20, 2026 may not be processed.

After the Agency has approved and signed the certificate, we will send you a copy. Please contact us at aot.mileagecertificates@vermont.gov if have any questions.

Please feel free to reach out to the Mileage Certificate Specialists (Kerry Alley and Pam DeAndrea) if you have any questions or need printed copies of the certificate.

Sincerely,
Kerry Alley

Good afternoon,

We wanted to let you know that we have updated our road data for TH-36 (Fuller Farm Rd) to include the approach to TH-23 (Fuller Hill Rd) as highlighted in yellow in the image below. We will update the AOT miles for this road and can preload the 2026 Mileage Certificate before we send it to you in the new year as follows:

+0.02 mi CL3 TH-36 (Fuller Farm Rd) added previously unmapped approach

Thank you and let us know if you have any questions,

Pam
