Dear Town Clerk and Selectboard:

Enclosed for your files is a copy of your 2007 Certificate of Highway Mileage. The town's request to include Legal Trails in this year's certificate was not accepted because the total mileage of the Legal Trails was different from what is in our records. Since the Certificate was received so late in the certificate process, there wasn't time to work with the town to determine the distribution of the different Legal Trail mileage.

The Legal Trail mileage amount submitted by the Town was 12.45. The total Legal Trail mileage in our records is 12.49 miles, with the following distribution:

Legal Trail Identifier	VTrans Mileage	Former Town Highway Number
LT-1	0.38	TH-6
LT-2	0.89	TH-17
LT-3	2.00	TH-57
LT-4	1.00	TH-27
LT-5	3.50	TH-59
LT-6	0.50	TH-73
LT-7	0.49	TH-28
LT-8	0.23	TH-24
LT-9	0.97	TH-23
LT-10	1.25	TH-66
LT-11	1.00	TH-74
<u>LT-12</u>	<u>0.28</u>	TH-11
TOTAL	12.49	

If the Town of Newfane wishes to submit these Legal Trails with these mileages on its 2008 Certificate of Highway Mileage, then no further documentation is needed for these Legal Trails. If you wish to use another mileage amount, then the town needs to provide clarification about the distribution of the mileage.

If you have any questions, please call me at 802-828-2109 or send e-mail to sara.moulton@state.vt.us Thank you.

Sincerely,

Sara Moulton

TO: TOWN CLERK and SELECTBOARD

In early January, the Vermont Agency of Transportation mailed the annual Certificate of Highway Mileage to you for completion and return. To date, your town's certificate has not been received. We use this certificate to confirm highway mileage for the purpose of allocating state aid for town roads. If we do not receive a completed mileage certificate from you by March 30, we will assume there are no changes from last year's certificate and state aid will be based on those mileages.

The completed mileage certificate should be returned to:

Please feel free to contact me with any questions or comments regarding the Mileage Certificates or the process. I can be reached via telephone at (802) 828-2600 or via email at johnathan.croft@state.vt.us.

January 2007

Below is a table summarizing the information on Legal Trails that is on file in the Mapping Unit. Act 178 of 2006 requires the measurement of trails be included on the sworn statement, the Mileage Certificate. To assist in this, we are providing a summary of the information we have on the trails that are shown on the Town Highway Maps, including mileage and former town highway number. The majority of trails were created by the reclassification of a town highway into a trail, thus the legal trail inherited an official measurement. The former town highway number is included in the FORMER_RTNAME column, and the former town highway mileage is in the AOTMILES column for each trail. VTrans has assigned a trail number, such as LT-1, to make the trails distinct. If the AOTMILES column is zero, the municipality will need to provide a mileage. The column ARCMILES contains the mileage as generated by the geometry of the trail, as digitized in the Geographic Information System (GIS). The mileages included in this table should be used as approximate mileages and the municipality should measure or verify the mileage of these trails.

A map showing the Legal Trail numbers and mileage has been included with this packet to further assist in this project. Any additional trails that exist should be added to the Mileage Certificate, as defined in the provided guidelines. Please feel free to contact us with any questions or comments regarding the above information, or the Mileage Certificates in general.

HIGHWAY / LEGAL TRAIL IDENTIFIER (RTNAME)	AOTMILES	ARCMILES	FORMER TOWN HIGHWAY NUMBER (FORMER_RTNAME)
