JOINT MEETING
TOWN OF ROCKINGHAM BOARD OF SELECTMEN
VILLAGE OF BELLOWS FALLS BOARD OF TRUSTEES
JANUARY 13, 1993

Selectmen: N.Lincoln Divoll, III, Thornton Lillie, John Lippincott,
James Mullen
Trustees: Catherine Bergmann, Katherine Hennessey, Charles Jarras,
Thomas MacPhee
Others Present: Paul McGinley, Manager; Lynn Dunn, Allen Halberg,
Richard Long, Constance Lancaster

Chairman Linc Divoll called the meeting to order at 7:06 P.M. in the Town
Hall Conference Room.

LIFE INSURANCE DISABILITY

The Manager's memo of January 6, 1993 was reviewed and some history on this
policy which goes back about 27+ years was provided. This policy has been
used very little as many employees have accumulated sick leave up to the 120
days maximum; when used it only pays \$60. a week. A proposal for 2/3rds of
salary after 30 days has been obtained and a cost comparison made. This is
a much better program for the employees. There was a consensus that the
proposed plan should be put out for bid, looked into for more detail and
obtain some feed-back from the employees.

Thomas MacPhee made a motion to continue this study on the Life and Disability
Policy and bring it back before the Joint Boards. Seconded by: C. Bergmann.
The motion carried.

Changes in the Blue Cross/Blue Shield rates and the agreement made between
the employees and the Boards to pay the difference between the JY and E9 plans
were discussed. Premium changes have been less than \$3.00 in the past two
years. Board members agreed to continue on the same basis and when the rates
are revised in July adjustments will be made in the employee's payroll checks.

MANAGER'S EVALUATION

Board members continue to work on the Manager's evaluation and this will be
tabled to a future meeting.

DEEDING OF CLACE DRIVE

There was a deed of property back in 1979 from LaHaise and DiBernardo to
the Village for a right-of-way to the water tower. Attorney Buckley has
prepared a description of the road so that it can be taken over as a Town
street so that both Boards can take the necessary action to document this.
Catherine Bergmann made a motion to approve and sign the Warranty Deed to
turn Clace Drive over to the Town. Seconded by: C. Jarras. The motion
carried.

Thornton Lillie made a motion to approve and sign the Certificate of Highway
Opening for Clace Drive. Seconded by: J. Mullen. The motion carried.
Property Transfer forms were also documented and signed.

OTHER BUSINESS

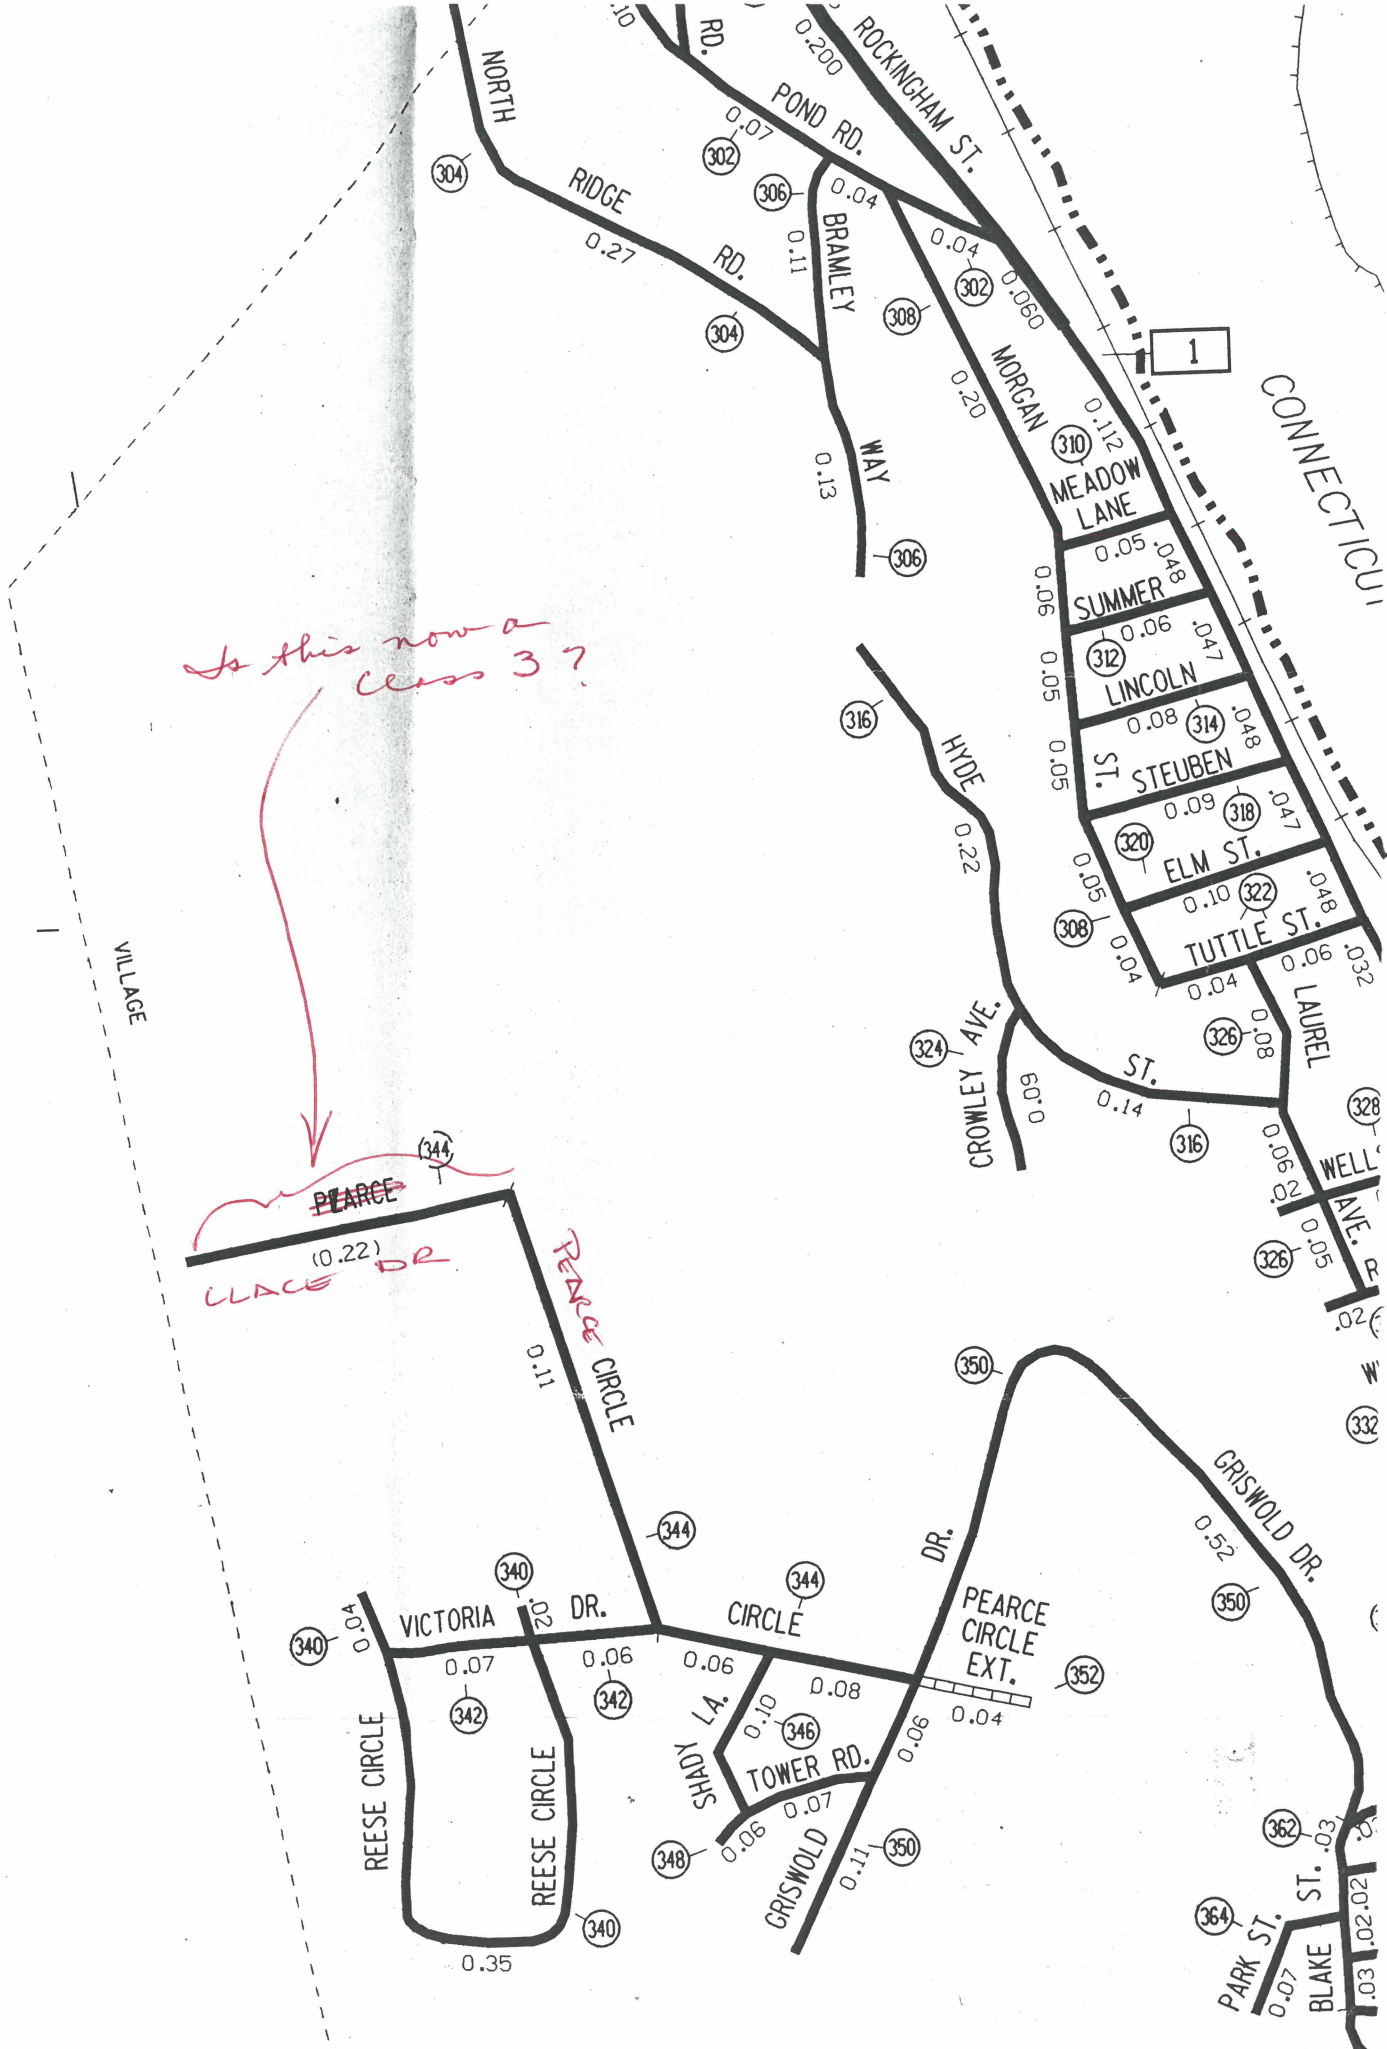

There was none to come before the Joint Boards.

Catherine Bergmann made a motion to adjourn this meeting at 7:32 P.M. Seconded
by: T. MacPhee. The motion carried.
