Re: Town of Rockingham - T.H. #111

Dear Mr. Croft:

Per information provided on the 2003 Certificate of Highway Mileage provided to the Town of Rockingham, VTans has requested a signed statement from the Selectboard regarding the status of T.H. #111. It is our understanding that this road was shown on the state aid highway map in the past.

→ Please be advised that what is shown as T.H. #111 was never deeded to, laid out by, or accepted as a town highway by the Town of Rockingham.

This road went into the Rockingham Industrial Park at the current location of the Sonnax building. Ownership remained with the Bellows Falls Area Development Corporation which conveyed the lot, and the paved roadway area, to Neil Joseph. The roadway was removed when the building was constructed.

It is not a discontinuance, since the road was never laid out as a town road.
