Tom,

Thanks for the email. At this point, we are not accepting any more changes for 2007, but will process any changes on the Certificate with the 2008 Mileage Certificate. This will not change the status of the highways or trails at the town level, just not account for the changes in the 2007 Summary of Highway Mileage and Town Highway Map.

Please feel free to contact me with any questions or comments regarding the Certificate process, or mapping in general.

Hi, Mr. Croft, Tom Morse, Selectman, Barnard here.

I have a note from the Town Clerk and a copy of your letter inquiring about our 2007 Certificate of Highway Mileage which I have found buried in my "homework" on the coffee table.

I'll get this completed, signed by the Selectmen and in the mail this week. My apologies for the delay.

Tom.

TO: TOWN CLERK and SELECTBOARD

In early January, the Vermont Agency of Transportation mailed the annual Certificate of Highway Mileage to you for completion and return. To date, your town's certificate has not been received. We use this certificate to confirm highway mileage for the purpose of allocating state aid for town roads. If we do not receive a completed mileage certificate from you by March 30, we will assume there are no changes from last year's certificate and state aid will be based on those mileages.

The completed mileage certificate should be returned to:

Please feel free to contact me with any questions or comments regarding the Mileage Certificates or the process. I can be reached via telephone at (802) 828-2600 or via email at johnathan.croft@state.vt.us.

Sincerely,
