Note Regarding TH-88 and TH-22:
 Coons Rd (TH-88) was dedicated to and accepted by the Town in 1986, and has been processed in VTrans records as a new road. Although it is quite possible that Coons Rd partially coincides with TH-22 (a CL4 town highway shown on historic Town Highway Maps), VTrans will not make any changes in its mileage or status until its location and status can be improved or verified. Meanwhile TH-22 will be mapped where it is currently thought to differ from Coons Rd (TH-88), as shown below.
