These plans are subject to such engineering
changes as may be required by the Federal Highway
Administration or the Chief Engineer.
Construction is to be carried out in accordance
with these plans and the Standard Specifications
for Highway and Bridge Construction dated
March, 1976, as approved by the Federal Highway
Administration on October 27, 1976, for use on
this project, including all subsequent revisions and
such revised specifications and special provisions as
are incorporated in these plans.
