93(10) 1946 5 32

NOTE: The attention of the contractor is directed to the area left of station 268+00± to station 274+00± where the operation of clearing only is required between the limits of roadway construction and the limits of right-of-way as indicated on the plans. Trees within this specific area shall be cut as directed by the Engineer. Payment for clearing only between said limits of roadway construction and limits of right-of-way for this particular area shall be at the unit price bid per acre for "Clearing and Grubbing." Item 13.
