 REVISE AND RESUBMIT
 ENGINEER has reviewed Shop Drawings and Samples and other data which Contractor is required to furnish fully for conformance with the information given in the Contract Documents and compatibility with the design concept of the completed Project as a functioning whole as indicated in the Contract Documents. Such reviews do not extend to means, methods, techniques, sequences or procedures of construction or to safety precautions and programs required thereon. Such reviews do not extend to any LEED certification or accreditation. Contractor is responsible for dimensions to be confirmed and controlled at the job site; for information that pertains solely to the fabrication process or to techniques of construction; and for coordination of the work of all trades.
