

- rate performance
- Classroom and in-field instruction
- Knowledgeable trainers
- Use of presentation materials
- Virtual configuration using computer playback
- Instruction in use of computer and handheld devices and other necessary equipment
- Wavetronix tech support includes:
 - Technical representatives available for installation and configuration
 - Ongoing troubleshooting and maintenance support

Documentation

- Instructional training guide
- Comprehensive user guide
- Installer quick-reference guide
- User quick-reference guide
- Documentation available upon request:
 - FCC certification
 - IEC 61000-4-5 class 4 test report

Warranty

- Two-year warranty against material and workmanship defect

The advertised detection accuracy of the company's sensors is based on both external and internal testing, as outlined in each product's specification document. Although our sensors are very accurate by industry standards, like all other sensor manufacturers we cannot guarantee perfection or assure that no errors will ever occur in any particular applications of our technology. Therefore, beyond the express Limited Warranty that accompanies each sensor sold by the company, we offer no additional representations, warranties, guarantees or remedies to our customers. It is recommended that purchasers and integrators evaluate the accuracy of each sensor to determine the acceptable margin of error for each application within their particular system(s).
