October 13, 2014

Don Weston Excavating, Inc.
349 Commerce Street
Williston, VT 05495

Attention: Don Weston

Here are the Signal Equipment Submittals for the Bristol HES 021-1 (28) Main Street (Route 116) & North St/South St. project. This should complete the submittal requirements for the signal equipment supplied by Highway Tech on this project. Please call if you have any questions or if you require any other documentation.
