This review is only for general conformance with the design contract and the information given in the Construction Documents. Contractors or consultants rely on the site drawings during the review do not release the reviewer from responsibility with the requirements of the plans and specifications. Review of a specific item does not include review of all assembly of which the item is a component. The Contractor is responsible for conformance to be confirmed and completed at the project site. The reviewer shall not be held responsible for the means, methods, techniques, equipment and procedures of construction or the workmanship of the work or any other trades not performing all work to a safe and satisfactory manner.
