X Reviewed
 Rejected
 Furnish As Corrected
 Revise and Resubmit

This review is only for general conformance with the design concept and the information given in the Construction Documents. Corrections or omissions made on the shop drawings during the review do not release the Contractor from compliance with the requirements of the Plans and Specifications. Review of a specific item shall not constitute review of an assembly of which it is a component. The Contractor is responsible for dimensions to be confirmed and corrected at the job site, information that permits work in the fabrication process or to the means, methods, techniques, sequences and procedures of construction, coordination of the Work with that of other trades, and performing all Work in a safe and satisfactory manner.
