Merrimack Sheet Metal
119 Hall Street
Concord, NH 03301

Project Name: **Huntington** Project #: **BRO 1445(29)**

Structure Identification: **East Street (TH #4) over Huntington River**

The following Expansion Joint details and Welding Procedures [Item # 516.10, Bridge Expansion Joint] for the above project (Vendor's Job # 0922) transmitted with Parent Construction Inc. letter dated 12/11/06 have been reviewed and are being returned herewith.

Sheets: Shop Drawings E1, E2, F1, F2, F3, and F4 and Welding Procedures DS-7, DS-13 and DS-16
are approved or approved "as noted".

Upon receipt of these "approved and "approved as noted" drawings, please make changes as appropriate and submit white prints for our use in the record plans for this project.

You must provide written notice to this office as to the date fabrication represented by these drawings will begin. That notice must be received at least seven days prior to that date, as per Specification 506.03. Any material fabricated prior to the notification date is subject to rejection without further cause.

Sincerely,

Warren Tripp, Project Manager
