Casco Bay Steel Structures, Inc. July 11, 2007
75 Spring Hill Road
Saco, Maine 04072

Project Name: BARTON Project #: BRO 1449(29)

Structure Identification: Bridge 61 over Willoughby River

The following Expansion Joint fabrication drawings and Welding Procedures for the above project (General Contractor - J.A. McDonald, Inc.), have been reviewed and are being returned herewith.

Sheets J1AB and J1B are approved "as noted". Please note the comments in red.
Sheet D1 is approved.
Welding Procedures are also approved.

You must provide notice to our fabrication inspector, Jeff Clark, as to the date fabrication represented by these drawings will begin. That notice must be received and acknowledged at least seven days prior to that date, as per Specification 506.03. Jeff may be contacted by phone at (802)828-0044 or email at jeff.clark@state.vt.us. Any material fabricated prior to the notification date is subject to rejection without further cause.

Sincerely,

Todd A. Sumner
Interim Structures Project Manager
