May 4, 2010

Casco Bay Steel Structures, Inc.
75 Spring Hill Rd
Saco, Me 04072

Project Name: Montpelier Project #: BHF 6400(31)

Structure Identification: Bridge 5 over the Winooski River

The following Miscellaneous Structural Steel Drawings for the above project (Vendor's Job #434) transmitted with your letter dated 4/19/2010 have been reviewed and are being returned herewith.

The sheets are approved or approved as noted (note comments in red).

Please make appropriate changes as indicated on these "as noted" or "approved" drawings and submit white prints for our use in the record plans for this project. Also, please submit extended weights for our approval. **Partial payment for this item will be withheld until extended weights are received and approved.**

You must provide notice to our fabrication inspector, Jeff Clark, as to the date fabrication represented by these drawings will begin. Jeff must receive and acknowledge your notice at least seven days prior to that date, as per Specification S06.03. You may contact Jeff by phone at (802)828-0044 or email at jeff.clark@state.vt.us. Any material fabricated prior to the notification date is subject to rejection without further cause.

Sincerely,

Wayne Symonds
Project Manager
