Re: Retainer Contract #0284599; BHF 6400(31); Montpelier Taylor Street Bridge Rehabilitation Phase B; CHA Project No: 14506

Dear Mr. Symonds:

CHA has reviewed the Miscellaneous Steel Fabrication Drawings for the above mentioned project and is recommending the submittal be 'Approved as Noted'.

Attached please find the following:

- One set of marked Shop Drawings, with abbreviated comments.
- One copy of the email transmitted to your office on February 23, 2010, with a detailed explanation of comments.

Please do not hesitate to contact me directly at (860) 257-4557 if you have any questions or require additional information.

Sincerely,

David M. D'Amato, P.E.
Associate
