 Submit Specified Item

This review is only for general conformance with the design concept and the information given in the Construction Documents. Corrections or comments made on the shop drawings during this review do not relieve the contractor from compliance with the requirements of the plans and specifications. Review of a specific item shall not include review of an assembly of which the item is a component. The Contractor is responsible for dimensions to be confirmed and corrected at the shop. Information that pertains solely to the fabrication process or to the means, methods, techniques, equipment and procedures of construction; coordination of the work with that of all other trades and performing all Work in a safe and satisfactory manner.
