Re: New Haven – Weybridge BHO BTN 2005(1) – TH 7, Bridge 26

The following Glulam Deck details [Item #522.40, Structural Glued Laminated Timber] for the above project (Vendor's Job #2107-150-LT) that were received in this office on July 27, have been reviewed and are being returned herewith.

Please note that these plans reflect field-verified dimensions provided by the contractor. These plans supersede the previous plans that were approved and distributed in my letter of July 20.

All sheets are approved.

There shall be no fabrication done until all drawings and welding procedures are approved. You must provide written notice to this office as to the date fabrication represented by these drawings will begin. That notice must be received at least seven days prior to that date. Any material fabricated prior to the notification date is subject to rejection without further cause.

Sincerely,

 Christopher P. Williams, P.E.
 Structures Project Manager
