Megquier & Jones, Inc.
1156 Broadway
South Portland, ME 04116-2649

RE: Barre City
BHF 6000(15)S
Prospect Street over Stevens Branch

Details for the following items,

- Item 506.50 – Structural Steel, Rolled Beam

transmitted with Megquier & Jones' letter dated June 5, 2009 (M&J job # J-80) have been reviewed and are being returned herewith.

All drawings are approved.

Upon submitting extended weights for our approval, please make appropriate changes as indicated on these "as noted" or "approved" drawings and submit white prints for our use in the record plans for this project. You must provide written notice to Vermont Agency of Transportation (VTRANS) Structures Section office as to the date fabrication represented by these drawings will begin. **That notice must be received at least seven days prior to that date, as per Specifications 506.03. Any material fabricated prior to the notification date is subject to rejection without further cause.**

Sincerely,
DuBOIS & KING, INC.

Evan P. Detrick, P.E.
Transportation Department Manager
