A photograph of a utility pole in a wooded area. The pole is a light grey color and has a white label with black text that reads "POLE #7-16" and "150W - H.P.S.". Below the label is a circular, light-colored cover, possibly for a meter or a fuse. The pole is mounted on a concrete base with three visible bolts. In the background, there are bare trees and a wooden structure, possibly a bridge or a walkway. The ground is covered with dry leaves and twigs.
