CROSSING 247 222

16208

A silver metal utility cabinet stands on a gravel base. The cabinet has a double-door design with a central vertical seam. On the top edge, there are two metal lifting lugs. On the left side, there is a small circular light fixture. A blue rectangular sign with white text is mounted on the front door. The background shows a gravel area, a set of railroad tracks to the left, and a dense line of green trees to the right.
