A grey metal utility cabinet stands on a gravel base. On the left side of the cabinet, there is a grey meter box with a circular meter and a lock. Two grey pipes run vertically down from the meter box. On the right side of the cabinet, there is a blue rectangular sign with white text. The sign provides emergency contact information for a stalled vehicle on tracks. The cabinet is situated next to a railway track with gravel ballast. The background consists of a lush green hillside with trees and bushes.
