16,000
POUNDS

A photograph showing a road closure setup. An orange diamond-shaped sign with the words "ROAD CLOSED" in black capital letters is mounted on a wooden sawhorse. The sawhorse is positioned against a large, grey concrete barrier. To the left, the rear of a silver vehicle is partially visible. The scene is outdoors, with a green metal bridge structure and a dense forest of trees in the background. A reflection of the sign and surrounding environment is visible in a puddle of water in the foreground.

**ROAD
CLOSED**
