

A gravel road curves through a dense forest of green trees. A metal guardrail runs along the right side of the road. On the left side, a white sign with black text is posted on a wooden post. The sign reads: "LEGAL LOAD LIMIT 16,000 POUNDS". The road surface is composed of light-colored gravel and shows some tire tracks. The surrounding forest is lush with green foliage, and a stream is visible on the far left.
