

A photograph showing a close-up of a bridge support structure. The structure consists of several large, cylindrical concrete pillars. The pillar in the foreground is dark grey and has a prominent vertical crack. A green rectangular sign is mounted on a metal post in front of this pillar. The sign has white text that reads "BRIDGE NO. 12 I-91". The background shows a grassy embankment under a clear sky.

BRIDGE  
NO. 12  
I-91
