

A green rectangular sign with white text is mounted on a metal post. The sign is oriented vertically and features the following text from top to bottom: "BRIDGE", "14", and "US-5". The sign is secured to the post with two silver-colored screws, one at the top and one at the bottom. The background consists of a dense thicket of bare, brown tree branches and a few small red berries. A wooden post is visible on the right side of the frame.
