A gravel driveway leads through a lush green forest towards a building. A sign on the right side of the driveway indicates a legal load limit of 12,000 pounds. The scene is filled with tall trees and dense foliage, with sunlight filtering through the leaves. The driveway is composed of light-colored gravel and is bordered by tall grasses. A small structure, possibly a shed or garage, is visible at the end of the driveway. A low stone wall or barrier is located on the right side of the driveway near the sign.
